

Ulla Delsing

Educational work for more than 30 years in the city of Dorsten in close cooperation with all relevant organizations; extremely close contacts with many multipliers.

We work for various federal and national organizations such as the Bundesagentur für Arbeit, Vestische Arbeit, Ministerium für Arbeit, Gesundheit und Soziales. We see ourselves as a performance-enhancing and qualifying partner in education and training. Close contacts and collaborations particularly exist with local associations and companies, political parties and religious institutions. The local economic development is in close dialog with Ulla Delsing.

The goal is to have a monthly consulting and work meeting concerning trends in the market.

Educational measures and activities cover such areas as the creative sector, business, communications, and services in general.

IT, security and surveillance, plants and soils, floral, paper, textiles, hairdressing, hotel, restaurant, bakery
Qualification measures, training measures, and assessment measures are part of our typical activities.

We also conduct training courses for people seeking independent employment, especially where creativity is the foremost focus.

quartier d has an energy storage
An energy storage is the place for those wishing to refuel and to learn new things
The energy storage is the place with gongs, singing bowls, and sound couch

Our staff has permanent employment contracts but we also hire freelancers. Our instructors are experienced professionals from the industry or from public educational institutions and have been working with us for many years. The competence of our staff is based in the skills and decades of experience in the field of further education

Our training premises include a restaurant with facilities suitable for training;
a kitchen with equipment suitable for training
EWENEMENT CAFFÈ for training professional Baristas
